

Expression of Interest

Consumer Advisory Committee

Armadale Kalamunda Group

Eligibility

In recognition of the evidence supporting the enormous value that partnerships with consumers provide to the overall quality and outcomes of health services, the Armadale Kalamunda Group (AKG) are committed to the establishment of a Consumer Advisory Committee (CAC) and Consumer Engagement Register, representative of our community.

The Consumer Advisory Committee will provide a structured partnership with 6 consumers and 1 carer representatives to facilitate larger and meaningful discussions for the provision of support and advice to the AKG Executive Team on how to improve the provision of services and consumer/carer experience within the Armadale/Kalamunda catchment area. The Committee meets monthly and initial 6 month tenure is offered with opportunity for extension for a period of 18 additional months. The commitment would be a minimum of monthly attendance at a meeting of approximately 2 hours (times and dates to be determined) and is supported by AKG secretarial support.

The Consumer Engagement Register is a register of people wishing to be involved in other key strategic discussions or short term activities. This register would be utilised by the Consumer Advisory Committee to access the wider community for specific activities and/or communications in person or via email. The commitment would be variable dependent on the activity.

Accordingly, expressions of interest are sought from consumers and/or carers to participate in;

- a) The AKG Consumer Advisory Committee and/or
- b) The AKG Consumer Engagement Register

AKG strongly encourages applications from Aboriginal and Torres Strait Islanders, people from culturally diverse backgrounds and people with disabilities.
